Milbemax Chewables: Broad-spectrum protection in one delicious bite: Worms got your pup down? Milbemax Chewable Tablets are the tasty, convenient solution to keep your furry friend healthy and happy.

One Delicious Chew, Multiple Benefits:

Ultimate mixed worm treatment: Targets and eliminates hookworms, roundworms, and tapeworms in a single dose.

Powerful heartworm prevention: Monthly chews provide year-round protection against this serious disease.

Effective against complex infections: Tackles even mixed infestations of adult cestodes and nematodes.

Safe for all life stages: Suitable for puppies, adults, pregnant and lactating mothers, and breeding dogs.

No more messy pills or stressful treatments! Milbemax Chewables are flavorful and easy to administer, making deworming a breeze for both you and your dog.

Give your pup the freedom to explore, wag, and play, worm-free! Ask your vet about
