Savoring July: A Journey Through Kashmir's Scenic Marvels: The July monsoon rains in Kashmir create a vivid, lush environment. With the meadows blanketed in a carpet of wildflowers and the surrounding landscape gleaming with fresh growth, the valley is a riot of color. The temperate climate is perfect for outdoor activities like climbing in Sonamarg or visiting the world-famous Mughal Gardens in Srinagar. July also marks the start of the popular Amarnath Yatra pilgrimage, which draws people from all over the world. Kashmir's serene scenery, which blends mountains, lakes, and a variety of cultures, makes it an excellent destination for a July holiday. https://cliffhangersindia.com/kashmir-in-july/
