Address: **Bonnievale**

Price: **5,76 R**

Pemac Projects: Preeminent supplier of solvent extraction plants: Pemac Projects offers comprehensive solutions for Trunk Projects in the realm of Solvent Extraction Plants and Oil Refinery Plants. Our expertise extends to manufacturing Solvent Extraction Machinery, facilitating continuous dry fractionation, establishing lecithin plants, optimizing cotton seed cleaning processes, and executing fat splitting processes. Additionally, we specialize in MCT oil extraction processes, bakery shortening production, and Bio Diesel Plants. As leading solvent extraction plant manufacturers in India, we deliver innovative and efficient solutions tailored to meet diverse industrial needs. Our expertise in Edible Oil Refinery ensures efficient processing, meeting stringent quality standards, and maximizing yield, making us a trusted partner for edible oil refinery in India.
