Our Pega CPDC Infinity'24 training isn't just about theory—it's built to be interactive. You'll have the opportunity to ask questions, work through real-world use cases, and see how Pega's powerful decisioning tools operate in live environments. Designed by industry experts, this course ensures you are fully prepared to take on the Certified Pega Decisioning Consultant (PEGACPDC24V1) exam with confidence.

- Expert trainers with real-world Pega experience
- Hands-on projects & practical training
- Interactive live sessions
- Assistance with CPDC certification preparation
- Recording Videos Access

- IT professionals aiming to specialize in Pega
- Fresh graduates looking for a breakthrough in BPM (Business Process Management)
