Afrikaans Pillow Worship and Spanking: Hey there Girls and Guys, are you at the age of 18 and up, speak Afrikaans, still in school or university, sleep on a nice soft fluffy pillow and wondered how it can help you pay your school or university fees? Well if you think tying your pillow to a disabled guy's face and making him orgasm from inhaling your gorgeous Afrikaans scent from it and spanking his crippled butt, this ad is for you.

I'm looking for young Afrikaans ladies and guys who would be prepared to have me over, tie my wrists to your bed, tie your pillow to my face, give me a good spank and do as you please to my body, making me have multiple orgasms from worshiping your gorgeous Afrikaans scent from your gorgeous pillow that you sleep on every night.

Rules:

Regular photos of your pillow that I'll be worshiping and will have tied to my face must be taken and sent to an email address given to you in a response to your reply to this Ad

Your pillow must be in a pillowcase slept on by you for at least a week or longer

My disability must not prevent you from tying your pillow to my face and making me orgasm from your scent, by giving me handjobs, spanking me or torturing my cock and balls, and spanking me

Only my mouth may be uncovered when its time to feed me, or if you want to use my mouth for sexual pleasure
