Linxon Pty Ltd: Your Online Source for Reliable Solar Lighting: Linxon Pty Ltd is an online solar light shop born from the South African need for reliable, beautiful, and effortless illumination.

We bring you a curated collection of SA-tough solar lighting—from ultra-bright security floodlights for peace of mind during outages to elegant decorative lights that turn your patio into a load-shedding oasis

Linxon is a leading e-commerce retailer dedicated to providing high-quality, reliable, and affordable solar lighting solutions to homes, businesses, and communities across South Africa. Based entirely online, we offer a seamless shopping experience, secure payment options, and nationwide delivery, bringing the future of independent lighting directly to your doorstep.

In a country facing persistent energy challenges, we empower our customers with a sustainable, load shedding-proof alternative for security, ambient, and essential illumination.
