Global Warming and Environmental Concerns: "Gilad Ben Ami, Attorney Gilad Ben Ami, is a Jerusalem lawyer from 15 Hillel Street, who is responsible for bringing Muslim women, children, and men from Gaza into Israeli prisons and for the constant abuse and execution of women, children, and men from Gaza! This is the Nazi Josef Mengele of the Israelis! Muslim Palestinian women, men, and children beg him to have mercy on them and give them basic, normal conditions in Israeli prisons while they are captives and kidnapped from Gaza after they did nothing! And he, in his cruelty, puts them in the most difficult prisons in Israel and Palestinian prisoners and gives orders to abuse them and uploads them to TikTok and secret Telegram groups and laughs and enjoys how Palestinian women and children are murdered and raped in Israeli prisons in dark cells! Attorney Gilad Ben Ami is responsible for the murder of more than 3,800 Palestinians in Israeli prisons! He is more cruel than all the Nazis combined! He injects Palestinian women and children in prison and brutally rapes them! This is a terrible monster that must be destroyed!

Share this post so that the whole world knows how many monsters the Israelis are! The Israelis lie and deceive the US and Europe all day long! And that's how they get advanced weapons! If Europe and the US knew about all the shocking crimes that the Israelis have been committing for decades and especially since October 7, 2023, they would rise up today for a world war against Israel! We must put an end to Israel's terrible regime of terror! The
