Price: **16,00 R**

Liquid hand soap - 500 ml: Quality soap in low cost packaging. Ideal for reselling to the lower end of the market.

Soft and gentle on hands.

No harsh alkalis.

Contains antibacterial components.

Advantages over of liquid soa over bars of soap

- Less likely to spread germs from one person
- Lasts longer
- Do not dissolve when it comes in contact with water on the basin edge
- Do not get dirty
- Do not leave a gooey residue or film on dishes and sinks
- Do not over time form cracks and break into little pieces
- If you really need a pump bottle, buy 1 and refill
