Why Enterprise Teams Prefer to Hire a Crypto Wallet Development Company For Two Weeks Launches: The global crypto wallet space was valued at nearly \$19 billion in 2025, an increase from \$14.39 billion in 2024. The vast majority of businesses in the space take six months or longer to develop their wallets. Antier, a best-ranked crypto wallet development company, creates wallets utilizing pre-built frameworks and automated development pipelines, allowing you to launch in fourteen days or less. Your wallet will be able to support over 10,000 digital assets right from the date of launch. Get to market faster while maintaining security. [Click here](#)
